## Language

- Tagalog
- English (Basic)

## Computer Expertise

- Web Development
- Mobile Development
- Networking
- Programming
- Photo Editing

## Objectives

I'm a 21-year-old front-end developer from the Philippines, aspiring to become a full-stack developer. Over the past few years, I've been dedicated to crafting visually engaging and user-friendly websites. I'm passionate about blending creativity and technology to deliver impactful digital experiences and continuously strive to expand my skills in web development.
