ABOUT ME

I'm Jaymark Azurin, an aspiring professional driven by a passion for exploration, problem-solving, and helping others. I value continuous growth and strive to make a positive impact through dependable and compassionate support in any role I take on. Guided by core values such as integrity, accountability, kindness, and leadership, I am committed to maintaining a healthy work-life balance while contributing meaningfully to those around me.

EDUCATION

2021 - 2025
COMTEQ Computer and Business Colleges

Bachelor of Science in Information Technology

Bachelor of Science in Information Technology (BSIT) equipped me with practical skills in software development, system management, and networking through hands-on projects and real-world applications.

Summer - 2024
COMTEQ Computer and Business Colleges

TESDA NCII - Computer System Servicing

TESDA NC II in Computer System Servicing certifies a person's skills in assembling, maintaining, and repairing computer systems. It involves hands-on training and assessment in hardware, software, and network troubleshooting.

2018 - 2021
East Tapinac Senior High School

Information Communication Technology

Information Communication Technology (ICT) allowed me to gain practical experience in using digital tools and systems for communication and data handling. I learned how to operate common software, manage files, and understand basic network concepts through hands-on activities and class projects

EXPERIENCE

Jan, 2025 - April, 2025
Olongapo City National High School (OCNHS)

IT STAFF (Internship)

During my IT Staff internship at OCNHS, I gained hands-on experience in troubleshooting hardware and software issues, assisting in network maintenance, and supporting the day-to-day operations of the school's IT systems.

SKILLS
